

Yarram Early Learning Management Committee Recruitment and Orientation

Quality Area 7: Governance and Leadership

PURPOSE

This policy will provide clear guidelines for the recruitment and orientation of Yarram Early Learning Inc members to positions on the Management Committee.

POLICY STATEMENT

VALUES

Yarram Early Learning is committed to:

- Recruiting people to the Management Committee for the centre in line with the Model Rules for the Association.
- Ensuring Committee Members understand the expectations of the role that they are undertaking.
- Having strong governance support for the Centre through the Committee of Management.

SCOPE

This policy applies to the Approved Provider, Responsible Person, educators, staff, students on placement, volunteers, parents/guardians and all adults involved in the programs and activities of Yarram Early Learning Incorporated.

BACKGROUND AND LEGISLATION

Background

Under the National Quality Standard, Quality Area 7 supports effective leadership and management of the service that contributes to quality environments for children's learning and development. Well-documented policies and procedures, well-maintained records, shared values, clear direction and reflective practices enable the service to function as a learning community.

Community committees of Management have significant responsibilities and it is important for them to be well equipped for their roles and responsibilities.

The Yarram Early Learning Committee of Management can change at each annual AGM which must be held within 5 months of the end of the financial year (December). However to ensure sustainability of the service, committee members are encouraged to commit to a 2 year term with no more than 50% of the committee to turn over in any one year. Committee members are eligible for re-nomination at the end of their term.
