

YARRAM EARLY LEARNING CENTRE ENROLMENT AND ORIENTATION POLICY

Mandatory – Quality Area 6

PURPOSE

This policy outlines:

- the criteria for enrolment at Yarram Early Learning Centre
- the process to be followed when enrolling a child at Yarram Early Learning Centre
- requirements in relation to Immunisations
- the basis on which places within the programs will be allocated
- procedures for the orientation of new families and children into [Service Name]
- processes to ensure compliance with legislative and DET funding requirements in relation to the enrolment of children in early childhood education and care services.

POLICY STATEMENT

1. VALUES

Yarram Early Learning Centre is committed to:

- equal access for all eligible children
- meeting the needs of the local community
- supporting families to meet the requirements for enrolment through the provision of information
- maintaining confidentiality in relation to all information provided for enrolment
- ensuring all families are welcomed and receive an effective orientation into the service.

2. SCOPE

This policy applies to the Approved Provider, Persons with Management and Control, Nominated Supervisor, early childhood teachers, Persons in Day-to-Day Charge, educators, staff and parents/guardians who wish to enrol or have already enrolled their child at Yarram Early Learning Centre

3. BACKGROUND AND LEGISLATION

Background

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (Regulation 168(2) (k)).

It is intended by 2022 that all eligible children (refer to *Definitions*) will have access to two years of kindergarten before commencing school. However, a shortage of places in some areas can limit choices for parents/guardians. Where demand is higher than availability, Approved Provider's must adhere to their eligibility and priority of access criteria (refer to *Definitions* and *Attachment 1*) in order to allocate the available places. The criteria used to determine the allocation of places takes account of the requirements set out in *The Kindergarten Funding Guide* (refer to *Sources*), the service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2010*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Services participating in central enrolment schemes are required to comply with the enrolment procedures of that scheme.

Childcare services providing approved child care (refer to *Definitions*) must abide by the *Family Assistance Legislation Amendment (Jobs for families childcare package) Act 2017* (refer to *Legislation*)

and standards) and the Commonwealth Government's *Priority for allocating places in child care services* (refer to *Sources*).

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010* and *Education and Care Services National Regulations 2011* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with an Australian Immunisation Register (AIR) Immunisation History Statement (refer to *Definitions*). To meet the Child Care Subsidy immunisation requirements, children must be immunised according to the National Immunisation Program Schedule (refer to *Sources*) set out by the Australian Government Department of Health.

Legislation and standards

Relevant legislation and standards include but are not limited to:

- *A New Tax System (Family Assistance) (Administration) Act 1999*
- *Charter of Human Rights and Responsibilities Act 2006* (Vic)
- *Children, Youth and Families Act 2005* (Vic)
- *Child Wellbeing and Safety Act 2005* (Vic)
- *Disability Discrimination Act 1992* (Cth)
- *Education and Care Services National Law Act 2010*
- *Education and Care Services National Regulations 2011*: Regulations 160, 161, 162, 168, 170, 171, 177, 181, 183
- *Equal Opportunity Act 2010* (Vic)
- *Family Assistance Legislation Amendment (Jobs for Families Child Care Package) Act 2017*
- *National Quality Standard*, Quality Area 6: Collaborative Partnerships with Families and Communities
- *Public Health and Wellbeing Act 2008* (Vic)
- *Public Health and Wellbeing Regulations 2019* (Vic)
- *Sex Discrimination Act 1984* (Cth)

4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

Australian Immunisation Register (AIR) Immunisation History Statement: is the only form of acceptable evidence of immunisation. The AIR is a national register administered by Medicare that records all vaccinations given in Australia, including to children. Parents/carers must provide a copy of their most recent AIR Immunisation History Statement, which shows that the child is up to date with their immunisations upon enrolment and when a child has received or been due to receive a vaccination while attending the service. In the case of medical contraindication, an authorised medical practitioner completes and signs a Medical Exemption Form, and supplies it to the AIR. In order to confirm enrolment, the Immunisation History Statement must show the child is up to date with the vaccines they can have, medical contraindication and indicate the due date for the next vaccinations the child is able to receive in the future if applicable.

Approved child care providers: providers that operate services that have Australian Government approval to receive Child Care Subsidy (refer to *Definitions*) on behalf of eligible parents. Approved child care providers include centre-based day care, including long day care and occasional care, family day care, and outside school hours care.

Authorised nominee: (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

Child Care Subsidy (CCS): A Commonwealth Government means tested subsidy to assist eligible families with the cost of child care. Payments are paid directly to approved child care providers (refer to *Definitions*). Further information can be found at: <https://www.education.gov.au/child-care-subsidy-0>

Children with additional needs: Children whose development or physical condition requires specialist support or children who may need additional support due to language, cultural or economic circumstances (refer to *Inclusion and Equity Policy*).

Deferral: When a child does not attend in the year when they are eligible for a funded kindergarten place or is officially withdrawn from a service prior to the April data collection. DET considers that this child has not accessed a year of funded kindergarten and is therefore eligible for DET funding in the following year.

Eligible child: as defined by the Kindergarten Funding Guide; a child that is at least four years old on April 30th in the year of enrolment; enrolled for at least 15 hours per week or 600 hours per year in a 4-year-old program; and not enrolled at a funded kindergarten program at another service. Or a child that is at least three years old on April 30th in the year of enrolment and is enrolled in a funded 3-year-old kindergarten program. Any child that is enrolled in an early childhood and education and care service must have an AIR Immunisation History Statement that indicate that the child is fully vaccinated for their age or who qualify for the 16-weeks grace period.

Enrolment application form: A form to apply for a place at the service (see *Attachment 3: Sample Enrolment Application Form*)

Enrolment record: The collection of documents which contains information on each child as required under the National Regulations (Regulations 160, 161, 162) including but not limited to parent details; emergency contacts; authorised nominee; details of any court orders; and health information including immunisation status. Enrolment records are stored securely in the service due to their confidential nature.

Fee: A charge for a place within a program at the service.

Grace period: allows specific categories of children of families experiencing vulnerability and disadvantage to enrol and attend the service without an AIR Immunisation History Statement (refer to *Definitions*) or when the statement is assessed as not being up-to-date. Services complete the grace period eligibility form with families during enrolment, and keep a copy with the child's enrolment record. The 16-week grace period starts on the first day of the child's attendance at the service. During the grace period, the service is required to take reasonable steps to obtain the AIR Immunisation History Statement (refer to *Definitions*) and to encourage families to access immunisation services.

Priority of access: in instances where more eligible children apply for a place at a service than there are places available, the service must allocate spaces using the criteria outlined in *The Kindergarten Funding Guide* (see *Attachment 1: Eligibility and priority of access criteria for a 3 and 4-year-old funder kindergarten program*), or if in receipt of the CCS, comply with the Commonwealth Government's policy for allocating places (see *Source*).

Vulnerable Children/Families: Children are vulnerable if the capacity of parents and family to effectively care, protect and provide for their long-term development and wellbeing is limited. Some factors which may contribute to a child being vulnerable include: a child with a disability; living in a family with a low income, or one which is experiencing problems with housing, domestic violence, known to Child Protection, Out of Home Care, substance abuse, or mental health; Aboriginal and/or Torres Strait Islander, having a culturally and linguistically diverse background; having a young or sole parent, or a parent with a disability (adapted from the *Kindergarten Funding Guide*)

AUTHORISATION

ATTACHMENT 1

Eligibility and priority of access criteria for a funded kindergarten 3 and 4-year-old program

Long Day Care

The Approved provider must notify all families of the priority of access policy that applies when they enrol their child.

In instances where more eligible children apply for a place at a kindergarten service than there are places available, services must:

- prioritise children AS IN THE KINDERGARTEN FUNDING GUIDE FOR 3 AND 4 YEAR OLD KINDER, listed below
- work with other local kindergarten services and the regional Department office to ensure all eligible children have access to a kindergarten place.

These criteria must be used by the Approved Provider when prioritising enrolments. Funding guidance is available from the Department's regional offices if required.

Service providers should build flexibility into their enrolment processes that consider the circumstances of families from priority groups.

If participating in a central enrolment scheme, the priority of access for that scheme will be implemented.

Services must first apply the DET's Priority of Access criteria, and following this may apply locally developed criteria, as per examples below.

Priority One Access

DET's Priority of Access criteria	Process that could be used to verify need(s)
Children at risk of abuse or neglect, including children in Out-of-Home Care	The child is: <ul style="list-style-type: none">• attending a three-year-old kindergarten program through Early Start Kindergarten* or Access to Early Learning, or is referred by:<ul style="list-style-type: none">– Child Protection– Child and family services (family services referral and support team, Child FIRST/integrated family services/Services Connect case worker)– Maternal and Child Health nurse, or– Out-of-Home Care provider

Priority Two Access	
<ul style="list-style-type: none"> • Children of employees of YELC will be offered a minimum of equal hours to their employment • Children who were enrolled the previous year 	
Priority Three Access	
<ul style="list-style-type: none"> • Families with both parents working or studying will be offered a minimum of hours equal to their work or study. 	
Priority Four Access	
<ul style="list-style-type: none"> • All other children 	

Children in Priority Access Four who have been offered a place must be advised that they may have to vacate their place with two weeks notice for Priority One, Two or Three.

Note: DET's Priority of Access (POA) guidelines are to ensure that kindergarten programs are available to those children who stand to benefit the most from attending early education. In mixed age groups, POA guideline will equally prioritise three and four-year-old children that are considered vulnerable. Where programs for three- and four-year old children are provided separately, the POA criteria will be applied separately for each age cohort.

* Early Start Kindergarten and Three-Year-Old Kindergarten
<p>During the roll-out of Three-Year-Old Kindergarten, Early Start Kindergarten (ESK) will continue to provide 15 hours a week of funded kindergarten for all eligible children up until 2029, when three-year-old children across the state will have access to 15 hours</p>
<p>It is important to continue to enrol eligible children in ESK, even if funded Three-Year-Old Kindergarten is available at the service.</p>
<p>This guarantees that children experiencing vulnerability will continue to be enrolled in the full 15 hours of kindergarten in all service settings, including long day care. It also ensures that service providers can continue to receive all funding entitlements.</p>
<p>Service providers are expected to continue to provide the full 15 hours funded through Early Start Kindergarten, even in instances where three-year-old groups are being offered fewer than 15 hours.</p>

2. Offer of places

- Tentative places will be offered in writing to applicants in accordance with the eligibility and priority of access criteria of the service making clear that confirmation of places is not final until an up to date AIR Immunisation History Statement has been received, assessed and found acceptable.
- Yarram Early Learning requires parents/guardians who have been offered a tentative place to provide an up to date AIR Immunisation History Statement for assessment two months prior to the child first attending the service in order that a confirmed place can be offered.
- The documentation is assessed as outlined in the *Immunisation enrolment toolkit for early childhood education and care services* by the person responsible for the enrolment process on behalf of the Approved Provider. The "Key dates work form for immunisation and enrolment" in the *Immunisation enrolment toolkit for early childhood education and care services* is used to determine the date at which immunisations must be up to date. The toolkit also provides guidance on assessing immunisation documentation to determine if a child is up to date or qualifies for an exemption. The following documents and resources can be accessed from <https://www2.health.vic.gov.au>:
 - The Immunisation enrolment toolkit for early childhood education and care services (search 'Immunisation enrolment toolkit')
 - The Key dates work form for Immunisation and enrolment (search 'Key Dates work form')

- The person responsible for the enrolment process advises the parent/guardian in writing whether a confirmed place is offered, and the enrolment can proceed by end of the last day centre is open in December
- Parents/guardians who **do not** have an up to date AIR Immunisation History Statement and whose child is **not** eligible for the grace period cannot be offered a place and are referred to Australian Childhood Immunisation Register or to an immunisation provider (refer to Appendix 4 – Letter for parents/guardians who do not have acceptable immunisation documentation).
- Offer of places in the three-year-old program/s and the funded kindergarten program will be made at the same time.
- Parents/guardians who do not wish to accept the offer of a tentative or confirmed place, or intend to withdraw their enrolment, are requested to notify the Approved Provider, or the person responsible for managing the enrolment process at the service, in writing as soon as possible.
- An enrolment record and other relevant information will be provided by Yarram Early Learning to the parent/guardian after a confirmed place has been accepted and the fee has been paid.

2023

Dear [insert name]

Re: Enrolment at Yarram Early Learning Centre for 2023

I am contacting you regarding your tentative place for [insert child's name] at [Service Name] in the [insert 3 year old or 4 year old program] in 2023

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided AIR Immunisation History Statement.

AIR Immunisation History Statement includes evidence that your child:

- is fully vaccinated for their age; or
- has been assessed by our service as being eligible for a 16 week grace period.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, and your child is not eligible for the 16 week grace period, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- Wellington Shire Council
- National Immunisation Information Line Tel. 1800 671 811
- Australian Immunisation Register:
<https://www.servicesaustralia.gov.au/individuals/services/medicare/australian-immunisation-register>
- Better Health Channel website: <https://www.betterhealth.vic.gov.au/no-jab-no-play>

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by AIR History Statement. The new application would be considered in line with Yarram Early Learning's Enrolment and Orientation policy.

Yours sincerely

Sarah Gregory
